## **Traffic Delays Expected on Valley Center Road** ***Striping, Barrier Relocation Required June 23 – July 9***

Motorists traveling on Valley Center Road between Lake Wohlford Road and Banbury Drive will experience traffic delays from June 23 to July 9. That's because lane striping and concrete barrier relocation to the west side of Valley Center Road will occur. Traffic will be impacted Monday through Saturday, 7:00 am – 4:00 pm.

Drivers should allow extra time and use caution when traveling through the construction site. Alternate routes are encouraged.

These work activities are part of Phase 1 of San Diego County's \$33 million roadwork project on a 6-mile section of Valley Center Road from the City of Escondido to Cole Grade Road.

Bi-weekly project updates are available online at:
